1	Special Surgeries - 70
2	Adoptions - 333
3	Rescues - 363
4	Animal Birth Control (ABC) Surgeries - 1112
5	Outpatients - 2838
6	Vaccinations - 4565

S.no	Activity	Description
Apr-20		
1	Summary	We have treated 180 animals as out-patients, administered Anti-Rabies Vaccination to 104 animals, and Multi-Component Vaccine to 74 animals. We have rescued 17 animals this month and also found good homes for 7 pups & 1 kitten. We could not conduct any birth control surgeries due to lack of veterinarians during this month.
2	Birthday of HAS - 06-04-2020	Proud moment for having completed another year of service to animals. Over the last 14 years, we have aided over 55000 animals. With the support of the Management team, Staff, Volunteers, Donors and public support, this has been achieved and growing stronger year after year.
3	Work continues in Pandemic situation	Throughout In the Pandemic situation, everyone suffered a lot; especially dogs, cats and cows wandering in the streets suffered immeasurably without their regular sources of food. Many of them were at risk of dying from starvation. Team HAS along with hundreds of volunteers, and kind public, gave a helping hand to these animals by providing food and water. We conducted many rescues and spot treatments for as many animals as we could. We had almost 200 animals on an average to look after every day. Despite the pandemic situation, our dedicated staff continued to work, giving support and love to the resident animals. We are very thankful to all our supporters during this tough month.
May-20		
1	Summary	We have treated 232 animals as out-patients, conducted Anti-Rabies Vaccination to 151 animals, and Multi-Component Vaccine to 134 animals. We have rescued 46 animals this month and also found good homes for 8 pups & 2 kittens. We also have done Animal Birth Control (ABC) Surgeries on 25 animals.
2	Home Sweet Home	We found good homes for many rescue pets during this month. We are thankful to the families that adopted these pets.
3	Good-hearted Person	Santi Quirko from Albania worked in our shelter and stayed on until the lockdown was lifted. Every day he came to the shelter for volunteering and also socializing the dogs. His biggest contribution was spending time with the handicapped dogs, putting them on carts and giving them a lot of fun-filled days.
4	New Members to HAS Family	A warm welcome to Dr. Abilash and HJ Srikanth with lots of good wishes on becoming part of our growing team.
Jun-20		
1	Summary	We have treated 208 animals as out-patients, conducted Anti-Rabies Vaccination to 170 animals, and Multi-Component Vaccine to 162 animals. We have rescued 16 animals this month and also found good homes for 3 dogs, 43 pups & 6 kittens. We also have done Animal Birth Control (ABC) Surgeries on 92 animals
2	Launching New Website	After putting a greater effort and time into reworking the website and finally, we are pleased to announce the launch of our new website with great design and features. Our goal with this new website is to provide our visitors with an easier way to navigate and user friendly to giving visitors access a more comfortable and interesting way to learn about us. Thanks to each and everyone who is spending their valuable time working for the new website. We give special thanks to Mr. Morten, the core person behind this incredible transformation.
3	Foster Hero	Ganesan Somasundaram is a foster carer who has succeeded in getting 30 dogs adopted in 30 days. He is started to associate with HAS in 2017 when he brought a dog that met with an accident to the shelter for treatment. The dog he brought to the shelter recovered soon and it has motivated him to foster more animals. He has found permanent loving homes for many abandoned puppies. We would like to thank all public who do their share in making the lives of animals better. Ganesan has been a great inspiration to many.
Jul-20		
1	Summary	We have treated 140 animals as out-patients, conducted Anti-Rabies Vaccination to 151 animals, and Multi-Component Vaccine to 81 animals. We have rescued 20 animals this month and also found good homes for 2 dogs, 35 pups & 2 kittens. We also have done Animal Birth Control (ABC) Surgeries on 91 animals.
2	Adoption tails	We are happy to find a good home for our favorite feline Almond and Canine Ruby. We are thankful to the families adopting a rescued pet is a delightful act of big-heartedness. We always have a beautiful selection of lovable animals looking for their dreaming homes.
3	Foster tails	Vaishnavi Suresh has been associated with HAS as a long-time volunteer and fostered many puppies and kittens over the years. Thanks to her for finding forever homes for the puppies in her area. As an activist and supporter, Vaishnavi is a force to reckon with.
4	Surgery tails	We have been creating awareness around Neutering and Spaying for pets and community animals right from inception. This month we encountered many cases of infection of cervical tumors, and mammary tumors caused because of not performing spaying and neutering at the right time. These cases highlight the importance of Spaying and Neutering, as it will prevent not only overpopulation but also cancers and tumors.
Aug-20		
1	Summary	We have treated 199 animals as out-patients, conducted Anti-Rabies Vaccination to 315 animals, and Multi-Component Vaccine to 163 animals. We have rescued 33 animals this month and also found good homes for 3 dogs, 21 pups & 4 kittens. We also have done Animal Birth Control (ABC) Surgeries on 89 animals.
2	Anti-Rabies Vaccination drive	The team conducted an Anti-Rabies Vaccination (ARV) drive in the areas of Edayarpalayam, Somayampalayaam, TVS Nagar, Vidhya colony, MGR Nagar. We have vaccinated over 150 dogs. We took this opportunity to spread awareness to the locals about Rabies and giving informative pamphlets.
Sep-20		
1	Summary	We have treated 229 animals as out-patients, conducted Anti-Rabies Vaccination to 217 animals, and Multi-Component Vaccine to 157 animals. We have rescued 35 animals this month and also found good homes for 3 dogs, 24 pups & 1 kitten. We also have done Animal Birth Control (ABC) Surgeries on 113 animals.
2	World Rabies day -28-09-2020	Following our door-to-door campaigns, our Team conducted an Anti-Rabies Vaccination (ARV) drive in the areas of P.N Pudhur, Ishwarya Nagar, Jagadeesh Nagar, Om Shakthi street and Anna Nagar, where our team successfully vaccinated 70 free-roaming and community dogs. We are very grateful to the Pawsome volunteers who helped us to raise awareness to the public during our vaccination drive.
3	ABC at Glance	This month our vets did 9 special emergency surgeries. We are very happy to share the news that all the animals who have undergone surgery are all doing well, and most of them have been returned to their communities. We are very grateful to our vets and team for their extraordinary effort in saving the lives of several animals.
Oct-20		
1	Summary	We have treated 294 animals as out-patients, conducted Anti-Rabies Vaccination to 280 animals, and Multi-Component Vaccine to 172 animals. We have rescued 46 animals this month and also found good homes for 2 dogs, 20 pups & 4 kittens. We also have done Animal Birth Control (ABC) Surgeries on 98 animals.
2	Rabies Free Coimbatore	We opened a Rabies advisory hotline number for reporting and monitoring of dogs suspected of Rabies.
3	Anti-Rabies Vaccination drive	The team conducted an Anti-Rabies Vaccination (ARV) drive in the areas of Sundapalayam, Kalikkanickenpalayam, P.N Pudur, Ishwarya Nagar, Jagadeesh Nagar, Om Sakthi Nagar, and Anna Nagar. We have vaccinated over 140 dogs. We took this opportunity to spread awareness to the locals about Rabies and giving informative pamphlets.
4	Education & Awareness sessions online	This month our team conducted educational awareness sessions online because of the ongoing pandemic situation. The first sessions were at Chinmaya Mission school where we conducted 2 sessions for about 120 children from Grade 3 who participated. Our next session was in the Commerce Department at Sankara College of Science and Commerce, where we conducted an online debate which was extremely interesting.

Nov-20		
1	Summary	We have treated 250 animals as out-patients, conducted Anti-Rabies Vaccination to 243 animals, and Multi-Component Vaccine to 161 animals. We have rescued 27 animals this month and also found good homes for 1 dog, 28 pups & 1 kitten. We also have done Animal Birth Control (ABC) Surgeries on 104 animals.
2	Special surgeries	During this month, our vets performed an aggregate of 9 unique surgeries. All animals that went through surgery progressed admirably and some of them have effectively been blissfully rejoined with their local area caretakers.
Dec-20		
1	Summary	We have treated 286 animals as out-patients, conducted Anti-Rabies Vaccination to 243 animals, and Multi-Component Vaccine to 161 animals. We have rescued 34 animals this month and also found good homes for 7 dogs, 18 pups, 1 cat, 6 kittens. We also have done Animal Birth Control (ABC) Surgeries on 111 animals.
2	Year at Glance	The year 2020 was a year like no other for animal welfare organizations facing so many issues to deal with the pandemic which left numerous animals without food and shelter. Most of the animal welfare people step in to help the Animals. Dr. Abhilash was acquired as a senior veterinarian and the work has proceeded. This year we did 955 ABC Surgeries, 352 Rescues, 278 Adoptions, 3377 Vaccinations, 2623 Outpatients, 61 Special Surgeries
3	Special Surgeries	In December, our vets performed 4 unique surgeries. All animals that went through eye enucleation to amputation surgery recovered admirably and happily rejoined with their local community caretakers.
Jan-21		
1	Summary	We have treated 331 animals as out-patients, conducted Anti-Rabies Vaccination to 299 animals, and Multi-Component Vaccine to 164 animals. We have rescued 30 animals this month and also found good homes for 2 dogs, 16 pups, 2 kittens. We also have done Animal Birth Control (ABC) Surgeries on 114 animals.
2	New Members to HAS Family	A warm welcome to Dr. Rahul Girish and Sruthi with lots of good wishes on becoming part of our growing team.
3	For the Love of Dogs – a Father's Legacy!	We received a bounty of gifts for our furry friends from two generous supporters. The gifts were in loving memory of Raji's dad, Mr. K.S.G Iyer. Mr. Iyer had been an empathetic soul who cared for many street animals locally. When he passed away, Santhosh and Raji promised to continue his great work by supporting animal welfare organizations that are in need. We are deeply thankful for the generosity of Raji and Santhosh.
Feb-21		
1	Summary	We have treated 227 animals as out-patients, conducted Anti-Rabies Vaccination to 266 animals, and Multi-Component Vaccine to 107 animals. We have rescued 26 animals this month and also found good homes for 2 dogs, 31 pups. We also have done Animal Birth Control (ABC) Surgeries on 109 animals.
2	World Spay Day - 27-02-21	To highlight World Spay day, our team of vets and veterinary assistants did a string of ABC (Animal Birth control) surgeries. They spayed/neutered numerous companion animals underscoring the dedication that HAS pledges to animals to enable them to be free from unnecessary suffering.
Mar-21		
1	Summary	We have treated 262 animals as out-patients, conducted Anti-Rabies Vaccination to 312 animals, and Multi-Component Vaccine to 204 animals. We have rescued 33 animals this month and also found good homes for 5 dogs, 16 pups, 4 Cats, 2 Kittens. We also have done Animal Birth Control (ABC) Surgeries on 166 animals.
2	International Women's day	We also celebrated International Women's day in our Shelter aims to defend gender equality. This day is not only for human women but also for all species. This day always has a special meaning for us. Some of our lovely ladies have expressed their opinions here, which is undoubtedly very thought-provoking. I hope at least some of your ideas will resonate with them!
3	Justice to the Voiceless	Rescue story of Bubbles and Blossom - two friendly dogs, has been heart-rending. They were found with their legs and mouths tied, on the campus of PSG Institute of Medical Sciences. When rescued, one of the dogs was in total shock, and if delayed, she would have surely died of suffocation. Fortunately, thanks to one of our long-term supporters, both of them got adopted after they recovered and spayed. A Stray dog that was brutally killed by a migrant worker under the instructions of an elder guy in Peelamedu also got justice. After this case came into the limelight that culprit was arrested. While we are grateful for the actions taken by activists and police for these two cases, we realize that there is a long and winding road ahead for animals to get their due justice
3	Vaccination drives	We are carried out numerous ARV drives in several local areas in Coimbatore. A unique rabies drive was carried out in vadavally after a dog that was rescued, died of Rabies. Team HAS along with the Pawsome volunteers and local community people vaccinated several pets and community animals. Our Team created awareness about Rabies and its prevention. We also conducted another vaccination drive in the area of Saibaba Colony as a preventive measure against Canine distemper where several pets received Multi-Component Vaccination.
4	Rescue stories	In the month of March, we have rescued several dogs with life-threatening issues and able to give them a second chance in life. Our heartfelt thanks to all our donors, supporters, staff and volunteers for the unstinting support.
